DVD/VHS/BLU-RAY Controls
From the main menu, select the SOURCE button, the select DVD or VHS source. Your projector will display from this device and the control panel will appear on the touch screen (you will need to remote to control the DVD player, however).

LOGOUT Control
Logout of the Crestron controller is important to allow the equipment to cool down for next lecturer to have equipment available.

RESTARTING Computer
Restarting the computer puts the computer back in a ready state for next lecturer, if you only logout this can make the next presenter delayed as the system takes fair amount of time to reboot.
