

Software Center

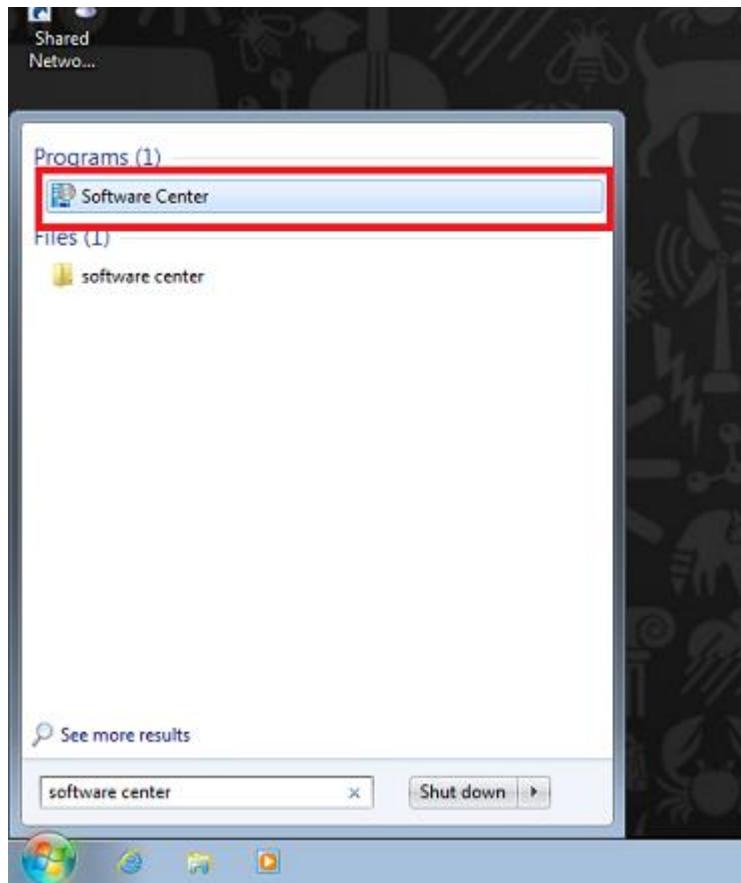

Software Center is a Windows desktop application that will allow users to quickly and easily install software to CN machines.

Prerequisites for installing software with “Software Center”:

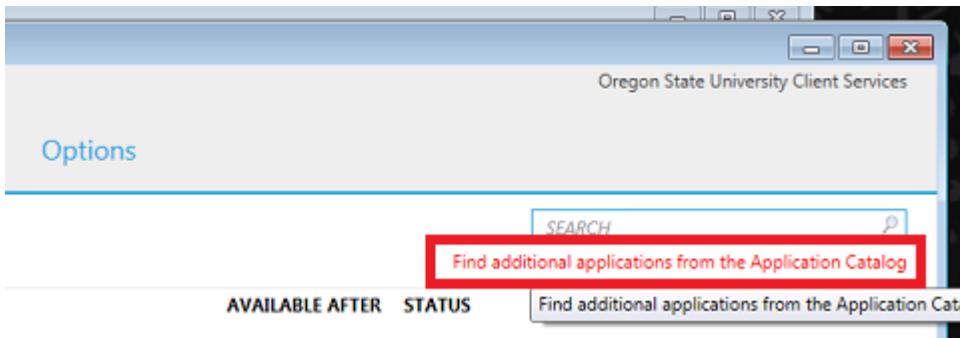

- Must be using a computer with Windows operating system
- Must have Software Center installed (installed by default on CN machines)
- The desired software must be available in Software Center

Community network can assist you if you encounter any issues with these instructions.

1. Press the Windows key (or click on the Start Menu) and type in ‘Software Center’.
2. Click the Software Center program.

3. Once the program opens, click on ‘Find additional applications from the Application Catalog,’ or click on this link <https://osu-cm-iis01.oregonstate.edu/CMAApplicationCatalog>
 - a. If the webpage opens in any browser that is not Firefox or Internet explorer, you will need to copy the link, then paste that link into a new Internet Explorer or Firefox tab.
 - b. If you receive a message that the connection is untrusted, choose “I understand the risks”, then choose “Add Exception”, and then choose “Confirm Security Exception”.

4. If you are not using Internet Explorer, you may be prompted for credentials, sign in using the same username or password that you use for logging into your windows computer.
 - a. The format will need to be ONID\username or CN\username depending on your credentials, if you have issues logging in please use Internet Explorer or contact CN for assistance.
5. After the credentials have been accepted the page will load with a list of possible programs that can be installed.
 - a. If you are not using Internet Explorer you have a prompt to “Activate Silverlight” you may have to choose “Activate Silverlight” and then you may be prompted to “allow”.
6. Click on the program you want to download.
 - a. *You can also find the program by using the search box in the top right corner*

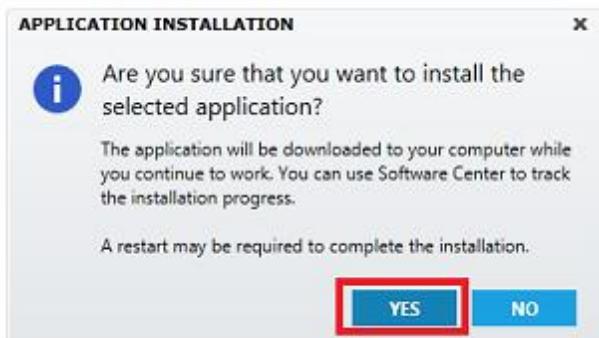

A screenshot of the "Application Catalog" interface. At the top, there is a navigation bar with tabs: "Application Catalog" (which is selected and highlighted in blue), "My Application Requests", and "My Devices". On the far right of the navigation bar, it says "Welcome, CN\trujilja" and there is a user icon. Below the navigation bar is a search bar with a magnifying glass icon, which is also highlighted with a red box. The main area shows a table of application results:

Showing 1 - 20 of 41 results					
	NAME	VERSION	PUBLISHER	CATEGORY	REQUIRES APPROVAL
All	7-Zip	Latest	Igor Pavlov	General	No
Adobe Creative Cloud	Acrobat	2014	Adobe	Adobe Creative Cloud	No
General	After Effects	2014	Adobe	Adobe Creative Cloud	No
Microsoft Campus Agreement	Apple iTunes	Latest	Apple	General	No
	Apple QuickTime	Latest	Apple	General	No

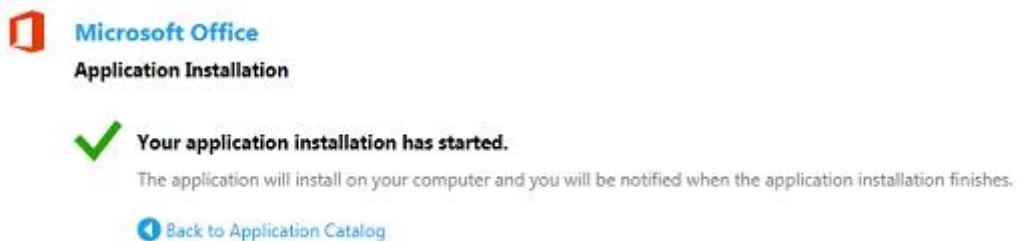

7. Click ‘Install’ in the bottom right corner.

A screenshot of a software download page for Microsoft Office. The page features the Microsoft Office logo and the text "Microsoft Office" and "No description available". Below this is a "More Details" link. In the bottom right corner, there is a prominent blue rectangular button with the word "INSTALL" in white capital letters. To the right of this button is the text "Start installing this application (Ctrl+Alt+A)".

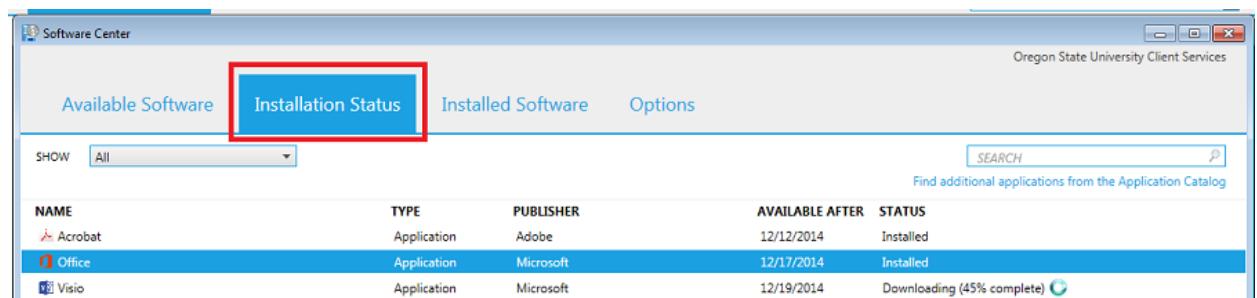

8. Click 'Yes' on the download confirmation.

9. You should get a screen that says the installation has started.

10. Go back to the Software Center program, click on 'Installation Status' tab to see the progress of the install.

11. After the program is done downloading and installing, you can begin using it!

- Some programs may require you to restart your computer before you can use the newly installed software.*
